

# Call for papers

## Special Session on Multi-Agent Macroeconomics

<http://dcai.usal.es/special-sessions/ss2-mam>

The special session will be held in Salamanca (Spain) as part of the 11st International Symposium on Distributed Computing and Artificial Intelligence 2014.

<http://dcai.usal.es>

Papers are invited for the following areas of special interest which include but are not limited to:

Microfoundations of Multi-Agent Macroeconomic models  
Micro-Macro relationship  
Small scale and distributed Agent-based models  
Stock-Flow consistent Agent-based models  
Computational models and Macroeconomic Policy analysis  
Computability in Economics  
Tools for Agent-based modeling

### Important dates

Submission: 31st January, 2014  
Notification: 23rd February, 2014  
Camera ready: 10th March, 2014  
Conference: 4th-6th June, 2014

### Publication

Accepted papers will be included in DCAI 2014 Proceedings published in the Advances in Intelligent and Soft-Computing series

### Author instructions and papers submission

Papers must be prepared using the Springer template available on the DCAI web site. Authors can submit short (4 pages maximum) or long (8 page maximum) papers. PhD students can submit a summary of their work in progress to the Doctoral Consortium. Please, visit the DCAI web site for further information.

### Scientific committee

José Carlos R. Alcantud, mathematical economist, University of Salamanca, Spain  
Barry Cooper, mathematical logician, University of Leeds, United Kingdom  
Felix Freitag, computer scientist, Universitat Politècnica de Catalunya, Spain  
Alan Kirman, economist, Aix-Marseille Université, France  
Nicola Mattosco, economist, University of Chieti-Pescara, Italy  
Leandro Navarro, computer scientist, Universitat Politècnica de Catalunya, Spain  
Enrico Rubaltelli, cognitive psychologist, University of Padua, Italy  
Anwar Shaikh, economist, The New School for Social Research, New York, United States  
Shu-Heng Chen, economist, National Chengchi University, Taipei, Taiwan  
Katsunori Yamada, economist, Osaka University, Japan  
Stefano Zambelli, economist, University of Trento, Italy

### Contacts

For further information please contact the special session organizers:

Edgardo Bucciarelli, "G. D'Annunzio" University of Chieti-Pescara, Italy  
Gianfranco Giulioni, "G. D'Annunzio" University of Chieti-Pescara, Italy
